Bhubaneswar,India · 7008107661 · ucse21039@stu.xim.edu.in · [Linkedin](#) · [Website](#)

## SKILLS

Skills: HTML,CSS,JS , PHP, Machine Learning  
Soft Skills:Communication,Teamwork,Creativity

## PROFESSIONAL EXPERIENCE

### BATOI SYSTEMS PVT LTD

Jun 2023 - Jul 2023

#### PHP INTERN

Used Batoi RAD framework, crafting dynamic websites with HTML, CSS, JS, PHP, and MySQL, while seamlessly integrating APIs like Adobe for PDF annotation and implementing FTP file transfer functionalities. My expertise ensures robust, innovative solutions tailored to meet the highest standards of modern web development.

### CODECLAUSE

May 2023 - Jun 2023

#### Web Development Intern

- My portfolio boasts a Unit Converter Program developed with HTML, CSS, and JavaScript
- Additionally, I crafted a compelling Portfolio website, employing basic web development techniques to showcase my projects and skills effectively.
- Moreover, I led the creation of a GitHub Explorer site, utilizing the GitHub REST API and core web technologies to deliver an intuitive user experience.
